As Unitarian Universalists, we covenant, congregation-to-congregation and through our Association, to support and assist one another in our ministries. We draw from our heritages of freedom, reason, hope, and courage, building on the foundation of love. Love is the power that holds us together and is at the center of our shared values. We are accountable to one another for doing the work of living our shared values through the spiritual discipline of Love. Inseparable from one another, these shared values are: Interdependence, Equity, Transformation, Pluralism, Generosity, and Justice.
